**RENEWED PETITION TO REVIVE UNINTENTIONALLY ABANDONED
APPLICATION**

MS: Petition

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application became abandoned on December 15, 2006 because of Applicant's failure to timely file a proper reply to the Office letter mailed June 15, 2006. Applicant respectfully requests a favorable decision on this petition and continued prosecution of the above-referenced patent application to its issuance.

The entire delay in filing the required reply from the due date of the reply until the filing of this petition was unintentional (37 CFR § 1.137(b)(3)).

Because this application was filed after June 8, 1995, no terminal disclaimer is required.

In a communication dated September 28, 2007, the United States Patent and Trademark Office states that the petition to revive this unintentionally abandoned application filed January 9, 2007 is dismissed due to the fact that the undersigned is not authorized to charge Deposit Account No. 50-3669. As a member of Dillon & Yudell LLP and the attorney of record for the above-referenced application, the undersigned is authorized to charge Deposit Account No. 50-3669. However, in the interest of expediting the revival of this application, an alternate deposit account is listed below and authorized for the charge of the Petition Fee. A request for the reconsideration of this petition is now submitted.

The Commissioner is hereby authorized to charge the \$1,500.00 Petition Fee under 37 CFR § 1.17(m) to **Dillon & Yudell LLP's Deposit Account No. 50-3083**. No additional fees are deemed required; however, should an additional fee be required to revive this application, please charge that or any other fees to **Dillon & Yudell LLP's Deposit Account No. 50-3083**.

Respectfully submitted,
